## *REPORT OF TOWN MEETING*

March 8, 1966

A meeting of the Inhabitants of the Town of North Hampton qualified to vote in town affairs and held at the School Building on Atlantic Avenue in said town, the alphabetical list of voters having been posted and subscribed on the back thereof by the Supervisors of the Checklist, was called to order at one o'clock in the afternoon on Tuesday, March 8, 1966 by the Moderator, James F. Leavitt, who declared the Polls open, the business meeting to be held at 7:30 p.m. and Polls not to close before 7:30 p.m. On motion of Maurice E. Kierstead it was voted that the Polls remain open long enough after the business meeting to give everyone an opportunity to vote.

At 7:30 p.m. Moderator Leavitt declared the meeting open and announced that the Polls would remain open long enough after the close of the business meeting to give everyone an opportunity to vote.

The Moderator asked Reverend Martin Johnson to lead in prayer, followed by a moment of silent tribute in memory of George G. Carter and Raymond O. Hobbs.

The following resolution was presented by Moderator Leavitt and voted unanimously to be incorporated into the minutes of the 1966 Town Meeting:

The State of New Hampshire  
Town of North Hampton  
March 8, 1966

To the Inhabitants of the Town of North Hampton  
in the County of Rockingham in said State:

To see if the Town will adopt the following resolution and to transcribe the resolution into the official records of the March 8th, 1966 Town Meeting:

Whereas: the following Raymond O. Hobbs and George G. Carter (now deceased) who dedicated their lives to the health, welfare and good of the Town;

We humbly pray that mention be made as a part of the official records of the Town of North Hampton, N.H., this 8th day of March, 1966 in appreciation of the dedicated services given by them during their lifetime to the inhabitants of the Town of North Hampton.

On request of Reverend Martin Johnson, a recount was held on this question.

Yes . . . . . 192

No . . . . . 200

Article 2. Barbara G. Luther moved that this article be passed over until all other articles had been given consideration. Motion was carried.

Article 3. William P. Fowler moved, and it was so voted, that the Town Treasurer, with the approval of the Selectmen, be authorized to borrow money in anticipation of taxes.

Article 4. William P. Fowler moved that this article be accepted as read. Motion was carried.

Article 5. Curtis D. Marston moved that this article be adopted as read. Motion was carried.

Article 6. Maurice E. Kierstead moved to amend Article 6 by striking out "Twenty Thousand (\$20,000) Dollars" and inserting "Twenty-five Thousand (\$25,000) Dollars". William P. Fowler moved to further amend the article by adding "provided Article 7 is passed." Original amendment was withdrawn by Mr. Kierstead. Curtis D. Marston moved that Article 6 be passed with amendment added. Motion was carried. Article 6 now reads: "To see if the Town will vote to appropriate the sum of Twenty Thousand (20,000.00) Dollars from the principal and accumulated interest of

the Capital Reserve Fund No. 3 for the Construction of Town Buildings and to Reserve Fund No. 3 to the Treasurer of the Town in such amounts and at such times as the Board of Selectmen may direct, provided Article 7 is passed."

Winslow Eddy, Leslie B. Merrill and Kenneth R. Grant were appointed by the Moderator as tellers for the evening.

Article 7. Curtis D. Marston moved that Article 7 be accepted as read. William P. Fowler moved to amend the article by adding that if the money is borrowed, it is to be used for this fire station. Amendment was accepted by Mr. Marston. Percy C. Rogers offered further amendment that interest run over a period of six years. Mr. Marston accepted second amendment. Vote was taken by ballot. Total vote: 311. Yes: 174. No: 137. Moderator Leavitt announced that vote lacked the necessary two-thirds majority. Motion was defeated.

## *SELECTMEN'S REPORT*

The Selectmen met in 69 regular sessions in 1966 and were represented at 81 other meetings in the County and State. Their regular meeting time is Monday from 7 p.m. on. Aware of the ever rising property tax and hopeful for more State Aid, they report a total gross valuation of \$17,597, 750. in 1966, a total of about \$336,000. in valuation on new buildings, a proposed Elementary School budget of about \$100,000 higher than that of six years ago, considering only the expenditure side of the budget, a Town population increase of some 1000 in the last six years and total proposed budgets to require raising about a half million dollars in property taxes.

In addition to attending meetings of Town Committees, the Selectmen have been present at the meetings of the Seacoast Development Plan, the Armed Forces Committee, State Tax Commission, County, Poverty, Fire Wardens, Airport, Court cases and dedications. They have been active members of the Rockingham Law Enforcement Officers Association of which Chief Ralph O'Connor is President. Selectmen Rogers is serving as President of the Rockingham County Selectmen's Association and as a member of the Executive Committee of the N.H. Municipal Association, these last two organizations active in proposing legislation in Concord to relieve the property tax payer.

Of the 1000 Property Inventory blanks mailed last March, 650 were returned. These forms along with Veteran Exemption blanks will be mailed before March 20, 1967. The forms may also be obtained at the Selectmen's Office from Mrs. Barbara Luther, Administrative Assistant, whose office hours are Tuesdays and Friday 9 - 12 a.m. and 1 - 5 p.m., also Saturdays 9

a.m. to 12. In 1966, there were 213 service exemptions granted.

Important events in 1966 included the up-dating of the Town map to April 1, 1966. The unavoidable errors have been noted and corrected on the master map and up-to-date changes will be made by John LaSuer, Engineer. Copies are available at the Selectmen's office. Following approval by the Legislature of the report of the Water Pollution Commission, steps will be taken to correct all pollution sources in Town. The two access roads of the Exeter By-pass were completed. One-third of the Town's roads was sealcoated in a planned three year schedule of such work. The State Underwriters submitted a report on our Fire Protection facilities. The Comprehensive Master Plan was completed in February, 1967.

The Selectmen register here their appreciation of the long service to the Town of Selectman Martin W. Whenal, who resigned July 1st. Byron L. Kirby was appointed to replace him. They appreciate the gift from the Bush and Bud Garden Club of two anchors to replace the Revolutionary War Cannon, contributed in World War II for scrap metal. The Selectmen wish to thank Representative James F. Leavitt, the members of all Town Committees and all Town Officers for their cooperation, time spent and skills exhibited.

## REPORT OF THE PLANNING BOARD NORTH HAMPTON

Your Planning Board met twice each month during most of 1966, in order to complete the Master Plan. It is expected that the Plan will be completed and in print some time during April.

During 1966 we had one application for a sub-division. This was rejected and later withdrawn by the applicant. There were several Plot Plans presented and acted upon.

The Planning Consultants very strongly recommend a change in our Zoning Laws and sub-division regulations, also building and electrical codes should be adopted. The Board feels that these matters should be taken up at a special Town Meeting some time in 1967.

Under the Capital Improvements Program the Board gives priority to a new fire station and a new fire truck. The Master Plan will show a long range program for the development of a Town Center. However, a fire station should be built immediately. This station can be constructed so that it would be possible to add on in the future. It does not seem feasible to the Planning Board to remodel the present structure. A new building would be much more practical.

The Board hopes that all citizens will take part in seeing that all phases of the Master Plan are acted upon.

Gordon S. Dow,

Chairman

## *REPORT OF LIBRARY TRUSTEES*

The book circulation of the library has increased steadily over the past ten years, growing from 9,561 in 1956 to 22,751 during the past year. New borrowers to register in 1966 included 105 adults and 128 children. Accordingly, the librarian and trustees feel it advisable to open the library for one morning in addition to the regular afternoon and evening hours.

The trustees appreciate the many gifts of books and magazines, many of which are of outstanding quality. Organizations continue to promote the work of the library. The Women's Club provided the lighted Christmas tree. The Bush and Bud Garden Club supplied an urn of geraniums for the summer months as well as a wreath and decorations for the Christmas Holidays. They also held an open meeting at the library, presenting a lecture to the public on 'The Art of Bonsai'.

The Friends continued their monthly workshops and raised money for chairs for kindergarten-age children. They also contributed scissors and a book of Zip Codes. Programs they sponsored for the public included the annual afternoon of book reviews by Marion Rudkin and an illustrated lecture on Strawberry Banke in the evening. Both were held in the Town Hall. There was a morning coffee in the library during National Library Week and the annual contest for school children was sponsored at this time. In June the group sponsored the seventh annual tour of historical houses, Strawberry Banke being chosen for the second time.

Many more programs and exhibits could be enjoyed if the library building had more modern facilities and adequate space. A small assembly hall is very necessary if the library is to carry out the services now expected of it.

# Town Warrant for 1967

TOWN OF NORTH HAMPTON

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

ARTICLE VIII. To see if the Town will authorize the remodeling and re-equipping of the present fire-house and vote to raise and appropriate Ninety-Six Thousand (\$96,000.00) Dollars and the purchase of a fire truck (pumper) and raise and appropriate Twenty-Seven Thousand (\$27,000.00) Dollars and will transfer from the Capital Reserve Fund No. 3 for town buildings the sum of Thirty Thousand (\$30,000.00) Dollars to be applied for said purpose and to transfer from Capital Reserve Fund No. 5 for fire trucks the sum of Twenty Thousand (\$20,000.00) Dollars to be applied for said purpose.

(Without recommendation of the Budget Committee)

ARTICLE IX. To see if the Town will vote to raise the sum of Seventy-Three Thousand (\$73,000.00) Dollars for the remodeling and re-equipping of the present firehouse and the purchase of a new fire truck (pumper) through the issuance of notes upon the credit of the Town, for all or any portion of the sums so raised, and will vote to authorize the Board of Selectmen to negotiate, and to issue such notes, and affix the rate of interest and all of the terms thereof, to take such other action as may be required to effectuate the purpose of this vote in accordance with the provisions of the Municipal Finance Act, RSA Chapter 33, and any amendments relating thereto.

(Without recommendation of the Budget Committee)

ARTICLE X. On petition of George Ajemian and sixteen (16) other legal voters, to see if the Town will vote to amend the Dog Ordinance by adding the following words:

No dog will, at any time, be allowed to roam at large. All dogs must be leashed, penned, or within immediate control of owner or keeper at all times.

ARTICLE XI. On petition of Edna L. Borchardt and ten (10) other legal voters, to see if the Town will vote to change the name of Locke Road, in Little Boar's Head District in said Town, to Old Locke Road, in order to stop its confusion with other roads of the same name in both Hampton and Rye nearby.

ARTICLE XII. On petition of Maurine Preston and one hundred thirty-four (134) other legal voters to see if the Town will grant permission to introduce flourides into the public water system.

(On the Official Ballot)

ARTICLE XIII. To transact such other business as may legally come before said meeting.

Given under our hands and seals this 22nd day of February, in the year of our Lord, Nineteen Hundred and Sixty-Seven.

Trustees attended a publicity work-shop in Derry, a regional meeting and banquet of Friends groups and the first all-day meeting of the New Hampshire Friends of the Library. The chairman attended the annual meeting of the N.H. Library Trustees' Association and served as awards chairman. She also attended all book-selection meetings held in the district.

Mrs. Herbert Bridges organized and became first president of the New Hampshire Friends of the Library and received an award from the New Hampshire Trustees Association as the 'Most Valuable Library Friend'.

A new service of our library will be available soon to persons interested in art. A bulletin board is being made by a local craftsman and when completed will be placed in the entry to the right of the main door. Bulletins, clippings and notices of art events will be posted on it. Because of North Hampton's excellent location to numerous art displays, trips will be planned to visit some of the exhibitions. A notice of these trips will also be posted. One is now planned for February. Books on artists, paintings and forms of art media could enrich these trips and may be found in the library or borrowed from the State Library whenever possible.

As members of the Library Building Committee the trustees attended all meeting, conferred with State Librarian on Federal Aid for Library Construction and were represented at two joint meetings of the Planning Board and the Town Building Committee. Along with the librarian and other committee members they inspected new and remodeled libraries in Epping, Newport and Salem and have other visits scheduled in the coming months.

## LIBRARIAN'S REPORT

To the Trustees of the North Hampton Public Library:

The following is a report of the Library from January 1, 1966 to December 31,, 1966:

Number of new books added	495
adult fiction	149
adult non fiction	174
juvenile fiction	111
juvenile non fiction	61
Books given to the library	153
Book Circulation	21,093
Magazine Circulation	1,661
<hr/>	
Total circulation	22,754

Our library is fortunate in receiving one hundred dollars to spend for reference material from the State,, through the Statewide Library Development System. Together with our own efforts, this is helping us to build an excellent background of reference books. We also received gifts of many fine books and magazines during 1966' and these are very much appreciated.

Your librarian attended an extension course in Public Library Techniques (subject—Book Selection) held at Notre Dame College in Manchester. I have also attended all library meetings of the Southeast District Advisory Council (of which the library is a member) as Delegate. Each delegate is part of a "working committee", and as such I am on the planning committee of the Advisory Council, and attend those meetings. The meetings in general have been held in Derry this past year, as that is considered to be the travel center of this Advisory Council.

Mrs. Carol Grant began her duties as Assistant Librarian in June: the library has grown in both service

and duties, to need more than the Librarian and a student assistant, and she is most welcome. Mrs. Grant is now the Alternate Delegate to the Advisory Council.

The State Library sponsors Book Selection meetings, through which we are given a chance to examine many new books before buying, and we also hear books reviewed. These meetings are held every two months at the various libraries in the area. Mrs. Grant and I attend these meetings, with one or more Trustees, and find them very worthwhile.

The Friends of the Library continue to give us help and inspiration, especially with our National Library Week programs, and many extra activities. This past year we received a gift of thirty long-playing records from the Columbia Record Company, and have started to loan records. Those who have borrowed the records have come back for more, and we hope to add to this record collection.

We also borrowed an idea from another library and instituted a "book-swap shelf" of good paper backs, which patrons have read and hate to throw away — so they bring a book or two (paper backs only) to the library, and find some on the shelf which they in turn have not read. No stamping, no worrying; just take one and bring one. They like the idea.

During the month of August, story hours were held at the library for children entering the first grade in the fall. The efforts of Mrs. James Kierstead and other interested mothers made the story hours a success. We hope to have this program in 1967 too.

## NORTH HAMPTON POLICE DEPARTMENT

During the year 1966, the Police Department has experienced an increase in almost all types of activity. This is due, primarily, to the increase in population and additional visitors to our area during the summer months.

We hope to have three permanent policemen in the near future which will give the town around-the-clock protection. This will allow all business establishments to be checked regularly through the night and it is hoped that this will completely eliminate breaks.

There were more accidents during the year 1966, including one fatal, however, due to the Implied Consent Law in effect during the year, we were able to place the blame for some of these accidents upon driving while intoxicated.

The juvenile problem remains exceptionally low although the national average for juvenile delinquency is rising steadily.

We look forward to the continued cooperation of the residents of North Hampton.

Respectfully submitted,

Ralph A. O'Connor,  
Chief of Police

## *REPORT OF THE FIRE DEPARTMENT*

The Fire Department was called out 39 times for emergency assistance for various reasons. Through Mutual Aid, the department was called to Hampton 3 times, Stratham once and we called on Hampton 3 times and Exeter once for assistance in our Town.

Fire records are made by people, those who cause fires and those who control them. Statistics show there is room for improvement. Major problems are still with us:

- (1) The careless disposal of smoking materials.
- (2) The householder's carelessness in burning rubbish.
- (3) The woodlot owners and contractors' failure to completely extinguish their brush burning fires.
- (4) Failure to extinguish camp fires.
- (5) Unsupervised children playing with matches.

If you must burn, you will need a permit to do so. Permits are not issued between 9 A. M. and 5 P. M. except on rainy days or if the ground is covered with snow. To minimize the risk of grass or woods fires, the best way to dispose of rubbish is at our local dump, located on South Road, North Hampton.

Mr. William Proper, a representative of the New Hampshire Board of Underwriters, conducted an evaluation survey of the Town fire protection, which included mobile fire equipment, housing of fire equipment, water systems for fire protection and building codes etc.

In Mr. Proper's general summary, he recommended immediate replacement of our 1937 Seagraves pumper which is obsolete, with a new Class A 750 gallon pumper with a 500 gallon booster tank in accordance with N. F. P. A. pamphlet No. 19, and that consideration be given to the erection of a new Central Fire Station, as the present building is not suitable for housing the present fire equipment.

A building committee was appointed at the 1965 Town meeting and continued at the 1966 meeting, to study plans for the building of a new Fire Station and its cost and report on the same at the 1967 Town Meeting.

As Fire Chief, I recommend that the voters act favorably on Proposal No. 1 as shown in your Town Report, as best suited for the Town's needs for over a period of years and also the purchase of a Custom Class A pumper to help maintain our present insurance rates.

Respectively submitted,

CURTIS D. MARSTON  
Fire Chief and State

Forest Warden

## *REPORT OF THE CIVIL DEFENSE DIRECTOR*

To the Board of Selectmen and  
Residents of the Town of North Hampton:

This past calendar year, 1966, a new air storage tank with capacity of 165 pounds was purchased from the BLISS GAMEWELL COMPANY at a cost of six hundred dollars (\$600) including shipping costs.

I am pleased to report that this fire alarm system is now in first class condition, and should give many years of satisfactory service to the town. There has been a very pronounced, stepped up activity between the Federal Government and state Government in civil defense, in all fields, and passed on to local Government by the STATE OF NEW HAMPSHIRE CIVIL DEFENSE, with the emphasis on more shelters, being found and stocked for Emergency Use.

This past December I submitted my resignation to THE BOARD OF SELECTMEN. It has been my pleasure to have served as your civil Defense Director for the past twelve years.

Respectfully submitted,

Reginald R. Wright  
Civil Defense Director

## *REPORT OF THE TOWN BUILDING COMMITTEE*

This committee, established by vote of the 1965, Town Meeting, submits its major report on the insert of this Annual Report of the Town. Its members have been Selectmen Percy C. Rogers, Chm., Byron L. Kirby and Maurice E. Kierstead, Fire Chief Curtis Marston, Paul W. Hobbs, Bruce Dow and Allen King. In addition to its regular meetings, it has met with Master Plan Consultants of Klunder Associates, State Planning Supervisors, the Town Planning Board, a representative of the New Hampshire Board of Underwriters, the Town Library building Committee, and the Committee's architect, Richard Gove of Maurice E. Witmer's Firm.

The Committee urges the voters to consider carefully the proposals for a new Fire Station and to vote favorably on one of them. Like the Planning Board, it is looking ahead. Eventually the Town will have a new Library to replace the present one, built in 1905. When this occurs, the present Library could be used for Town Offices. If proposal No. 1 for the Fire Station is accepted, the present quarters of the Fire, Police and Selectmen will be used by the Police and Selectmen. This wing of the Town Hall, rebuilt from a chicken coop in 1918, could be removed and the Town Hall restored to its original building, eventually. The sheds to the rear of the Town Hall could be moved further to the right, leaving space for a Town Center Park.

*1966 ANNUAL REPORT OF THE NORTH  
HAMPTON CONSERVATION COMMISSION.*

In compliance with R. S. A., 36-A, the Commission submits the following report to the voters of the town of North Hampton.

The Commission has held eight meetings. Two walking trips were made, one to the marshlands in the coastal area, and one to the school sanctuary. Observations were made relative to the vegetation, hunting areas, pollution and wildlife. Two maps of the town have been prepared. One map being a soil profile chart and the other a land usage map. The commission now has, through the courtesy of Mr. Wesley Powell and Hampton Publishing Company, a supply of suitable stationery.

Guests at our meetings included County Soil Conservationist Herman Parker of Stratham, Geologist and Naturalist Mrs. Marland Billings of Little Boars Head, Conservation Commission Chairman Miss Ruth Stimson of Hampton and County Forester Stanley Knowles of this town. Three members attended a meeting of the Hampton Conservation Commission.

Mr. Charles Peck has taken the first of a series of colored slides of local open areas. These have been viewed and approved by the commission and will be contributed to a Visual Education Library. This project is made possible through the Instructional Materials Center. The slide collection, when completed, will be available for use by civic groups.

We have made a preliminary study of the mosquito problem, and intend to continue this during the coming year. It is our aim to make a concrete proposal for action by the towns people.

The North Hampton Conservation Commission makes the following recommendations to the Selectmen and the citizen of the town:

1. That the Little River Marsh be left as a natural area of wet lands, and that any filling and-or dredging be prohibited. This is a wildlife habitat and it is the wish of this committee that the natural beauty be preserved. Any public health problem resulting from improper drainage, causing pollution of adjacent areas, may become a problem of the town.

2. That coastal waters be classified as B 1, as recommended by the New Hampshire Water Pollution Commission report of July 1965. (Presently these waters are classified below. B1 water is that that is acceptable for bathing and recreation, fish habitat and public water supply, after adequate treatment.)

3. That a picnic area be established in North Hampton, preferably on Rt. 1, in accordance with the requirements made by the Office of Community Recreation Service of the Department of Resources and Economic Development.

4. The removal of abandoned or unusable old motor vehicles, in accordance with Chapter 372, Section 267-A of the Motor Vehicles-Junk Yard Bill, wherein these vehicles appear not as a part of any active business.

5. That, if and, when a new site for a town dump becomes necessary, that an area other than a wet land be selected.

*REPORT OF THE SCHOOL DISTRICT MEETING*  
MARCH 11, 1966  
School District of North Hampton  
State of New Hampshire

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

You are hereby notified to meet at the North Hampton Elementary School Auditorium on Atlantic Avenue, in said District on Friday, the Eleventh of March, at Four O'Clock in the afternoon, and cast ballots from that hour until at least Nine O' Clock in the evening of said day for candidates for the following district offices:

A motion was made by George G. Miller that the polls remain open after the meeting so that all may have a chance to vote.

1. Moderator for the ensuing year. James F. Leavitt - 70 votes; Carroll Fogg - 2 votes; and Percy Rogers - 1 vote.
2. Clerk for the ensuing year. Judith H. Batchelder - 78 votes.
3. A member of the School Board for the ensuing three years - George G. Miller - 74 votes; Curtis Marston - 4 votes.
4. Treasurer for the ensuing year - Ada M. Fogg - 80 votes.

Two auditors for the ensuing year - James F. Leavitt - 77 votes; Philip T. Boothby - 73 votes; Barbara Luther - 1 vote.

And you are also notified to meet at the same place

at 7:30 O'Clock in the evening to act on the following subjects.

5. No reports - move on to article 6.
6. Mrs. Jane Palmer made the motion that the District establish a Contingency Fund in accordance with the Revised Statutes Annotated 198-4-b, such contingency fund to meet the cost of unanticipated expenses that may rise during the year, and further that the District appropriate the sum of \$1,500. for this purpose.

After much discussion Mr. William Fowler made the motion to amend the article to be reduced from \$1,500.00 to \$1,425.00.

Hand vote - 57 yes - 32 no - motion as amended was carried.

7. Mr. Robert S. Barber made the motion that the District accept the grant of the Fuller Foundation, Inc., in the amount of \$14,000.00 plus earned interest of \$700.00 and authorize an appropriation of \$14,700.00 for the purposes of restoring and equipping the school playground and for equipment and furnishings for a school library in accordance with the terms of the grant as set forth in a letter, dated, May 21, 1965, from Alvan T. Fuller, President of the Fuller Foundation, Inc., addressed to George G. Miller, Chairman of the North Hampton School Board; said letter printed in the School Warrant for 1966.

Moved and seconded - hand vote - passed as read.

8. Mrs. Jane Palmer made the motion that the District authorize the School Board to use such income as may be received from the re-investment of building funds to complete and equip the building additions which were approved at the March

1965 Annual District Meeting, and further that the District appropriate the sum not to exceed \$6,000.00 for this purpose.

Mr. Maurice Kierstead, Selectman moved to defer article number 8 to be put in the budget as an in and item.

Seconded - hand vote - passed.

9. The Budget as recommended by the Budget Committee was read by Mr. Sumner Claverie.

Mr. George Miller made the motion that the District raise and appropriate the sum of \$306,573.35, which sum represents the School Board budget, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district; this motion includes the positive action taken under Article 6, 7 and the Supplemental appropriations voted at the Special District Meeting.

Mr. Percy Rogers, Selectman, Made an amendment to have the budget read line item by line item with clarification of each.

Mr. Miller read the School Board's Budget stating that the School Board did not intend to accept a salary.

It was moved to vote on the question - with the amendment that the Budget Committee Budget be substituted by the School Board's Budget. It was explained by the Moderator that by voting no to the Budget Committee's Budget they would then go back to the School Committee's Budget.  
Hand vote - majority no.

Mr. Fowler's motion to add \$6,000.00 income to both sides of the budget was passed.

The School Committee's Budget of \$312,973.35

was then voted upon, which included \$6,000.00 of re-invested funds.

Hand vote - majority yes - passed.

10. The motion was made and seconded by Mr. Maurice Kierstead to see if the town will adopt a resolution into the official records of the March 11 School District Meeting whereas the following: Raymond O. Hobbs and George G. Carter, new deceased, who dedicated their lives to the health, welfare and good of the town we humbly pray that mention be made as a part of the official records of the School District of North Hampton, N. H., this 11th day of March 1966 in appreciation of the dedicated service given by them during their lifetime to the inhabitants of the Town of North Hampton. (Maurice Kierstead, Chairman of the Board of Selectmen). Seconded - Hand vote - passed.

Mr. Elliot Stevens made the motion that the school meeting be held before the town meeting - seconded - this is to be placed in next year's warrant. It was explained that it must be held between March 1 and April 30. Hand vote - passed.

No other Business.

The Moderator accepted a motion from the floor that the meeting be adjourned - seconded - hand vote - passed.

Meeting adjourned - 9:51.

### *TOWN OF NORTH HAMPTON*

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District Affairs:

You are hereby notified to meet at the North Hampton Elementary School Auditorium on Atlantic Avenue, in said district on Friday, the tenth of March, at four o'clock in the afternoon, and cast ballots from that hour until at least nine o'clock in the evening of said day for candidates for the following district offices:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. A member of the School Board for the ensuing one year.
4. A member of the School Board for the ensuing three years.

5. A Treasurer for the ensuing year.

And you are also notified to meet at the same place at 7:30 o'clock in the evening to act on the following subjects:

6. To see what action the District will take in re-

lation to reports of Agents, Auditors, Committees or Officers chosen.

7. To see if the District will raise and appropriate the sum of \$3,800.00 to purchase and install a fire detection system in the North Hampton Elementary School, and vote to authorize the School Board, as agents of the District, to take such action as may be required to effectuate the purpose of this article. (Recommended by the Budget Committee).

8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district. (Budget Committee recommends \$291,757.03).

9. To transact any further business that may legally come before said meeting.

Given under our hands and seals at said North Hampton this 10th day of February, 1967.

# Report of the Superintendent of Schools

It is with a great deal of pleasure that I submit my first annual report to the School Board and citizens of North Hampton.

My duties as Superintendent of Schools officially commenced on September 15, 1966. This date was set by the Portsmouth Board of Education and the school boards of Supervisory Union No 21. During the month of August, however, I was extended the opportunity to visit the schools of this supervisory union on several occasions to become acquainted with facilities, policies and personnel. The last week of August was devoted to the annual administrators conference. The entire week of day-long sessions was a most interesting and productive week. It became obvious to me that a great deal of fine preliminary planning went into this activity, the results of which are quite apparent as one visits the school at North Hampton as well as those of the towns which comprise this supervisory union.

At the outset, let me say that I am very pleased with the instructional program and professional staff of your schools. I find that we have quality materials in each school with which to do our teaching. I have observed dedicated staff members intent upon giving their best in order that our children may benefit.

However, we must not become complacent in thinking that all must remain the same — not in this day and age of rapid change. Already we are at work locally as professionals in studying our curriculum to keep it in focus with day-to-day advances. A good school system incidentally is judged by this very factor, among

others. At this writing we are studying our social studies curriculum, modern foreign language program, art, and music programs with the hope of providing needed continuity in all grade levels.

Early in January, 1967 one phase of our Title I program started under the direction of Miss Sweetser. This program will provide small group instruction to students who have been identified as "educationally deprived" in need of special help in the academic areas. Statistics and experience tell us that these are the children whose number is rising and who get short-changed, educationally speaking, in the regular classroom of 30 to 40 children.

Last year your superintendent briefly outlined for your edification certain highlights of the new Federal Legislation more familiarly known as the Elementary and Secondary Education Act of 1965, (PL 89-10) and how this act has been put to use in your school.

I feel it is important that I mention one of the most beneficial (PL 89-10 Title III) involvements locally and that is the Instructional Materials Center under the able direction of Peter Brooks. I see evidence of the Center's influence each time I visit schools and classrooms. Through this facility teachers have come to realize that teaching methods can and must take a newer approach. Student learning rates have gained speed and momentum with each passing day.

With the coming of the new year (1967) the North Hampton School lunch program began operating under the direction of Mrs. George Miller. I am pleased that this service is with us once again and I am sure the parents share this feeling.

Your new building addition is a credit to the town. You have been working hard and long for additional school facilities adequate to meet present and future needs of your school population.

It has been and always will be my sincere intent to keep the public informed about local, state, and national educational affairs. It is my job to keep school board members informed of developments regarding organization, programming, and staffing of schools under their jurisdiction. My affiliation with several national, regional, and state educational groups assists me in passing on much information which applies to our local school problems.

Since there has been and should be a continued interest in consolidation of school districts in this state as well as in the nation the reactivation of the Cooperative Study Committee seemed advisable early in my tenure here. A reorganization session has been held with appointed representatives from Hampton, Hampton Falls and North Hampton present. Future meetings of subcommittees have been set for early January and February, 1967. I expect that the results of the research will be of interest to all residents of North Hampton.

This Supervisory Union has been conducting two special education classes offered to those young people who have learning disabilities. While this type of program may be called expensive by a few of our critics, your school administrators are convinced that we must continue to offer special programs geared specifically to ability and achievement levels. The town of Hampton has housed these classes for the past few years. Approximately 50 per cent of the children involved are Hampton pupils.

The North Hampton school enrollment (December 1, 1966) has been plotted for you on the chart below.

Grade	N. Pupils	No. Sections
I	82	3
II	72	3
III	77	3
IV	54	2
V	29	1
VI	59	2
VII	39	2
VIII	43	2

The past few months have been challenging ones indeed for me. They have been quite revealing for I have observed dedicated and competent staff members at work in each building. Our school administrators are providing the kind of assistance, implementation and supervision of curriculum and personnel that makes for a most satisfactory school system.

I have high admiration for the unselfish manner in which individual school board members carry on their difficult and time-consuming roles as public servants-their interests and dedication is commendable.

The Supervisory Union Office Staff is deserving of a great deal of praise for the efficient manner in which they carry on the business affairs for eight separate school districts.

Respectfully submitted,

Paul L. O'Neil, Superintendent of Schools

*TO THE VOTERS OF THE  
NORTH HAMPTON SCHOOL DISTRICT*

As your School Board we wish to take this opportunity to present a special report on our recently completed building project. With your help and support we hope that our revitalized facilities are providing for an exemplary and innovative educational program which will prove the worth of the collective efforts of our community.

The following statistics are provided to show where the money came from and how it has been spent. We should preface our report by saying that the low bid by Blanchard Stebbins, Inc., 330 Lincoln Street, Manchester, New Hampshire was \$272,115.00. As the bid was higher than had been anticipated, a review of the total project and subsequent negotiations were necessitated. Negotiations included meetings among the architect, general contractor, school board, building advisory committee, and Supervisory Union 21 officials. The result was a final contract price of \$258,316.00. Even with this reduction the basic plan presented at the 1965 District Meeting was not changed and all facilities that were described, now exist. We present the following report:

Income or Available Funds:

From the Bond Issue	\$300,000.00
Reinvestment Interest	5,453.27
National Defense Education Act	2,036.00
(federal aid on a 50-50 matching basis to meet the expenditures for the science lab.)	

Total monies available	\$307,489.27
------------------------	--------------

Expenditures:

Legal and Bank fees on	
Bond Issue	\$1,200.00
Architect and Engineering fees	15,500.00

Construction Contract	258,316.00
Construction of new disposal field	9,777.00
All equipment	22,438.34
general classroom, light fixtures, Inter-com, shades.	
Other (tile floor in one room)	102.00
	<hr/>
Total Spent	\$307,333.34
Unspent Monies	155.93
	<hr/>
	\$307,489.27

A synopsis of our gains from this project would include nine classrooms, one science and prep. room, one Library and stock room, three storage areas and custodial closet, renovated health room, cafeteria, and Administrative offices, new showers and locker area, music room with storage and practice areas, toilets and Faculty room.

Attached to this report is a letter and summary of associated projects done with the grant from the Fuller Foundation.

In conclusion, we wish to express our appreciation to all those who have worked with us and have supported the educational gains to our community. In particular we acknowledge the help of the Building Advisory Committee (John McMahon, Harlan Carter, Thurston Whitworth, Jane Allen and Sumner Claverie). May we quote from the building flyer that we published for our 1965 March meeting: "Present needs, long-range planning and economy are all factors that have influenced every decision. . ."

Mr. Alvan T. Fuller, President

The Fuller Foundation, Inc.

140 Federal Street, Room 1203

Boston, Massachusetts 02110

Dear Mr. Fuller :

With an expression of gratitude from the children of North Hampton, we wish to take this opportunity to report to you the progress of the several projects that have resulted from your grant of \$17,500.00 which was announced in your letter dated May 21, 1965.

We offer the following summary of our actions:  
Section I, Income:

From the original grant	\$17,500.00
Interest gained from re-investment	818.15
Total available	\$18,318.15

Section II, Expenditures:

Purchase of three acres of land adjacent to the old playground	\$3,500.00
Engineer to survey land and prepare bid specification for site work	700.00
Contract for clearing land, leveling and seeding	9,135.00
Purchase of Library furniture	3,030.53
Purchase of Library books and materials	2,000.00
Total	\$18,365.53
Difference paid from other sources	47.38
	<hr/>
	\$18,318.15

The School Board would like to acknowledge that the North Hampton Elementary School library has been accepted as being a model and that the school has been visited by school personnel from other parts of the state for the purpose of tours and briefings on our library.

Our new playground and ball field will be ready for use this spring and summer. We also feel that the overall appearance of the school has improved considerably.

We hope that you and the other trustees will be able to visit the North Hampton Elementary School at sometime in the near future. In the meantime, may we again express our appreciation for your considerations of our children, our school, and our town.

Sincerely,

Jane Palmer, Chairman  
Earl Anthony  
George Miller

North Hampton School Board

To the Superintendent of Schools and  
the School Board of North Hampton:

I submit the following report of the School Health Program in North Hampton for the school year 1965-1966.

Tuberculin tests or chest X-rays were administered to all school personnel. Pupils in grades one, four, and seven also had tuberculin tests. Results on all pupils were negative.

Flu vaccine was administered to all school personnel who wished to receive it. A total of twenty-four injections for flu were given.

Dr. Sidney, school physician, completed physical examinations in grades one, four, seven, and all boys participating in sports. There were 177 students who received physical examinations.

All pupils in all grades were weighed, measured, and had vision and hearing tests. Inspections of teeth, hair, posture, and general cleanliness were done on all pupils. Ten visual defects were found and corrected. Fourteen hearing defects were found twelve of these corrected. Urine tests for sugar and albumin were done in grades one, four, and seven.

The Speech Clinic under the direction of the Portsmouth Rehabilitation Center was held weekly. There were fifty-three pupils evaluated. Thirty-seven received therapy.

Medical Self-Help classes were held in the eighth grade. Forty-seven pupils participated in the program.

Classes in health education were held at various grade levels in conjunction with the work of the classroom teachers. Subjects covered were dental health, nutrition, personal hygiene, communicable diseases and good grooming.

Pre-School Registration Day was held on May 20, 1966. At that time fifty-five children registered for first grade. Each child was weighed, measured, had vision and hearing checked, evaluated for speech defects and a dental examination.

A large amount of time is spent during the school day for the administration of first aid. A total of 1,051 first aid procedures were administered during the school year.

A total of 362 home contacts were made by me during the year.

Respectfully submitted,  
Dorothy Staples, R. N.  
School Nurse
